2018 Existing and Planned Metro Transit Routes, Twin Cities, Minnesota

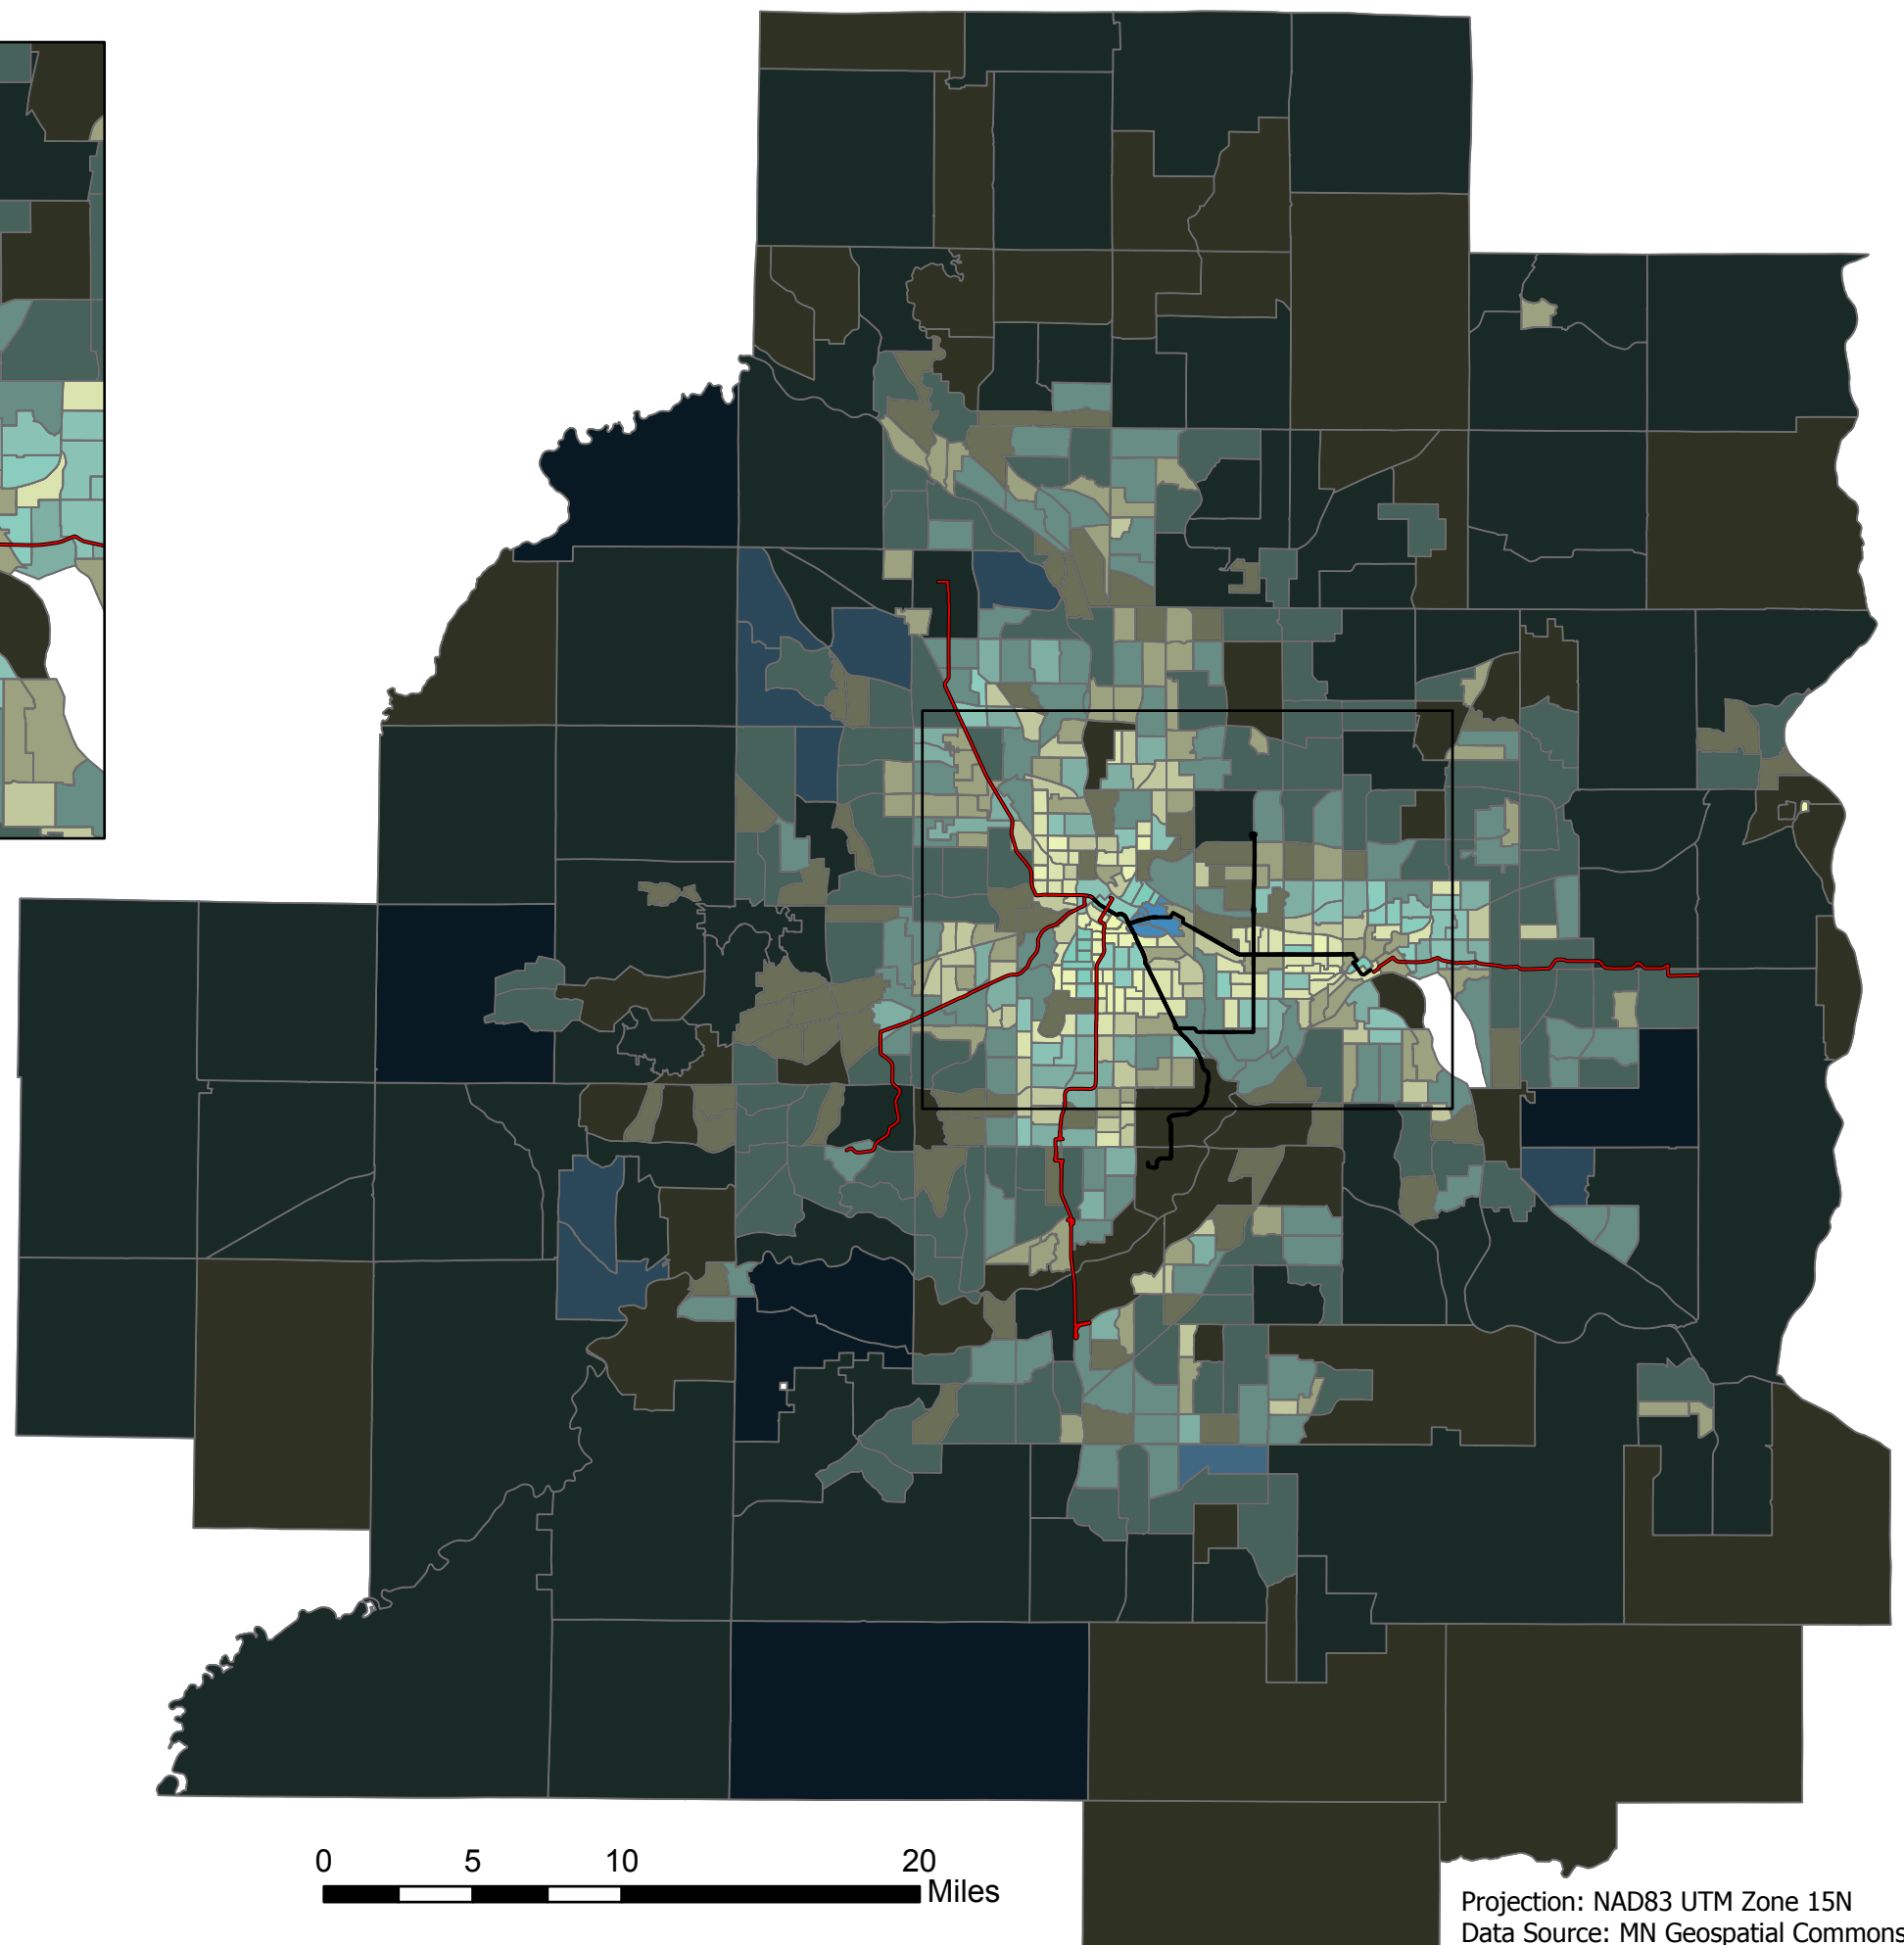

Josh Zoelmer

This map shows the location of the existing (as of 12/2017) and planned rail and rapid bus routes in the seven county Twin Cities Metropolitan Area.

Population data based on 2016 estimates of census tracts. Inset displays the cities of Minneapolis and St. Paul and extent is indicated by black rectangle. View interactive: <https://arcg.is/44L0a>
